

Save Time, Apply Online!

Deschutes County Online Application Instructions

Did you know that you can apply for building permits online? Applying online **saves an average of 7+ days** of permit review time! This allows county staff to process your application quicker and more efficiently by allowing multiple staff members to simultaneously review your projects. If you need assistance, please don't hesitate - contact us today!

Benefits of applying online through Oregon ePermitting:

- Submit an application for a building permit from your desired location and on your time schedule. Online submittal is available 24/7. **No more waiting in line!**
- **View and track the status of a permit** from start to Certificate of Occupancy
- **Reduced printing costs, fewer trips** to the Community Development Department Office
- **Faster** processing, **easier** method to submit additional information and revisions
- Manage and track your permits, **schedule and view inspection results**
- Download lost or damaged plans instead of incurring a "re-stamp" fee
- Make secure online payments

To begin applying online, follow these basic instructions:

- 1) Review our [Online Application Instructions](#).
- 2) Go to <https://aca-oregon.accela.com/oregon/>.
- 3) Register for an Oregon ePermitting account.
- 4) Log into your Oregon ePermitting account.
- 5) Click "+Apply" - Building Department Application.
- 6) Accept terms and enter the Project Address location.
- 7) Click **Deschutes County** and select a Permit Type.
- 8) Follow the prompts to apply for your permit.

For questions or technical assistance, please call (541) 385-1743 or send an email to cdd@deschutes.org.
